The Ashmore

Glorious Gables

The glorious gables that reach toward the blue sky give this home a stupendously noble look.

A two-story foyer offers passage to an eye-catching, two-story living room through an arched opening.

The remarkable gourmet kitchen features a large island and an intimate vaulted breakfast nook.

An octagonal sitting room, dual walk-in closets and an impressive private bath are showcased in the master suite.

Total Heated Sq. Ft. 3232
