## *Tasteful Impression*

*A stately facade of stylish quoins, brick detail and a soaring arched entry creates a tasteful impression for this four-bedroom home, which offers plenty of room for expansion.*

*The foyer opens to a sprawling family room with a fireplace. The adjoining island kitchen sports a handy snack bar and a sunny bayed breakfast nook.*

*Upstairs, an elegant loft overlooks the foyer, while the spacious game room features a coffered ceiling. Three ample bedrooms and two unfinished areas fill out the floor.*
